Ballots Returned to Designated Election Official (Total Voted and Not Voted Ballots) is 1,721 on the [2014 Judges' Certificate of Election Returns](#), but totals 1,632 when calculated from figures provided on Judges' Certificate of Election Returns and from the Designated Election Official. This leaves a difference of 89 ballots which would equal the 86 ballots mailed out but not returned plus the 3 rejected mail ballots. Also, according to the DEO, there were 1,500 ballots available on election day; therefore the number of ballots not delivered to the electors was miscalculated and listed as 1,037 when it should have been 1,255

Detail for Judges' Certificate of Election Returns is not available

2010 Ballots Returned to Designated Election Official (Total Voted and Not Voted Ballots without Spoiled and Rejected) total 1,398 from figures given. But on the [2010 Judge's Certificate of Election Returns](#), they are listed as 1,397 leaving a discrepancy of 1 ballot which the rejected ballot could account for. Also, the figure was written as the Number of Ballots Received From DEO instead of Ballots Returned to DEO. The number of Ballots Not Delivered to Electors was written in the space for Ballots Returned to Designated Election Official

Judges' Certificate of Returns and number of total votes cast is not available
